

# Help us plan Morrisville's future!

Thursday,  
January  
31st

## Morrisville is holding a planning party to continue public input in the Land Use and Transportation Plans Update, and you're invited!

We'll have food, fun and plenty of ways for you to have your say about the way Morrisville should grow. This workshop is the second in a series of three workshops to gain public input into the Plans Update. At the first workshop, participants told us what they like and would like to improve about Morrisville. This workshop will focus discussion on specific recommendations for areas of town that have the most potential to change.

We invite you to take time out of your busy schedules to come and have dinner, meet your neighbors, and plan with us during this workshop.

If you need transportation assistance, just call 463-6194 no later than Monday, January 28th at 4:00 pm and we will make the arrangements.
